Subject: Request for Business Entity Name and/or Associated Actions, ColorCountry Rock, LCC, Vermillion Mine, M0530076, Washington County, Utah

Dear Mr. Hafen:

During November 2006, the Division received notification from Mr. Jeff Fawcett that information would be submitted to the State of Utah, Department of Commerce correcting the company name spacing from ColorCountry Rock, LLC to Color Country Rock, LLC. To date, this change has not occurred with the Department of Commerce.

Please provide the Division a documentation update demonstrating there has been a submittal correcting the company name spacing. To ensure the correct company is referenced within the Division, the Department of Commerce entity number 4775820-0160, will be used alongside correspondence until the spacing correction is made at the Department of Commerce.

In addition, the Division has not received the completed, signed and notarized reclamation contract. This partially completed reclamation contract was mailed to you on November 9, 2006. Please complete the missing information before returning the original to the Division.

The Division can take no further review action until the reclamation contract has been received. Please ensure these required actions gain your prompt attention so this permit is in compliance with state regulatory requirements.

Please contact Minerals Surety Coordinator, Beth Ericksen, (801) 538-5318 immediately with the requested information.

Sincerely,

Daron R. Haddock
Permit Supervisor
